Amazing Adventures await your camper this summer at Crabapple Academy's Summer Safari! Your child will love all of our fun-filled activities that include weekly field trips, sports & games, cooking projects, and arts & crafts! Our theme-based curriculum also includes fun math & language arts activities, cool science experiments, and Crabapple Academy's reading incentive program: *Kick Back & Read!* All of our camp activities have been carefully chosen to ensure your camper has fun, while keeping those very important skill sets honed over the summer!

In addition, campers will face a different character development challenge each week, reinforcing the concepts of teamwork, respect, honesty and responsibility, allowing each camper to earn a silicone wristband inscribed with that week's character development trait!
